

APA-Prize for Young Scientists 5 November 4 (Thu.), 2021 / 17:00-17:20 [Pre-recorded]

Prof. In Seob Park

(Kyushu Univ., Japan)

○ Biography

In Seob PARK received his Ph.D. in 2017 from Kyushu University under the supervision of Prof. Chihaya Adachi. He is currently a research assistant professor in the research group of Prof. Takuma Yasuda at the INAMORI Frontier Research Center (IFRC) of Kyushu University. His research focuses on the development of novel luminescent organic materials for applications in organic light-emitting diodes.
